KAUAI GARAGE
 AGENTS

Many motorists on Kauai will recall the excellent service obtained from Michelin tires before the war.

While, for a time they did not prove satisfactory, it was owing to the lack of a French Chemical preparation used in the manufacturing of these tires.

This material soared to such an exorbitant price during the war, making the purchase of it for tire manufacturing quite impossible.

We are pleased to state that this preparation is again being used in the manufacture of Michelin tires, and they are guaranteed to give satisfaction.

We have just received by the S. S. Griffco a full supply of Michelin tires and tubes in all sizes.

DEATH OF MRS. JOSEPHINE CHAMBERLAIN

The sad news was received last week of the death of Mrs. Josephine Chamberlain in Berkeley, California on the 17th of April.

Mrs. Chamberlain went to the coast some time ago for medical treatment and to be with her friends and relatives, with a premonition it seems, that the end was near.

Mrs. Chamberlain had been the principal of the Kilauea school for many years in which position she had done very excellent work, and had exerted a very beneficial influence in shaping and moulding the children of that community; many promising young men and women will remember her with grateful recognition.

On the arrival of the sad news memorial services were held at the Kilauea school on Wednesday last, under the great banyan tree which she herself had planted.

There were appropriate hymns, the 23d psalm in concert, a prayer by Father Hubert, a short address by Rev. M. E. Carver and a poem by Miss Hundley, but the most impressive and significant thing was the evident grief and affection of the children, who came each one bearing a tribute of flowers, among them a profusion of magnificent lilies. After the service the flowers were carried by the children to the little churchyard where they were used to decorate the graves of Mrs. Myers and Mrs. Yanagihara. Dr. Yanagihara was present with his little daughter Josephine, named after Mrs. Chamberlain.

The flags at all the schools the Island over were at half-mast for her memory.

Mrs. Chamberlain was an uncommonly attractive, gracious and cultured woman, a valuable social asset in any community, always ready to use her talents for the benefit of those about her, and especially interested in her school work in a broadly helpful way, and devoted to the welfare of the young people who grew up under her hand. Well done, good and faithful servant, enter thou into the joy of thy Lord.

LOCAL OFFICERS SALVATION ARMY RECEIVE PROMOTION

Commissioner Adam Gifford, who recently visited Honolulu, where he held a Congress with the Salvation Army, has promoted Ensign and Mrs. O. R. Kennedy of Kauai to the rank of Adjutant in recognition of their splendid work on this Island.

VOTERS REGISTERING

Voters are waking up to their privileges and duties, and are flocking in for registration in unusual numbers. Especially is Kawahau active and alert in this respect, having increased their roll of voters by some 120 names, 80 men and 40 women. A large proportion of these are Hawaiian-born Japanese. The time is not far off when Kawahau will lead in the race.

Mr. and Mrs. Homer Baldwidge of Pasadena, California leave on the Kinau today after a week spent visiting friends on Kauai.
